Re: IFBLS Email Scam Warning

Greetings from Canada,

It has come to our attention there was a recent attempt to scam IFBLS members with an email that appeared to be sent by "IFBLS2016secretariat". The scammers have used information found on the IFBLS website to create the appearance the email is legitimate. **Please do not open any attachments or zip-files from unknown sources.** These emails are not from IFBLS or our associates.

Further, please be aware, the IFBLS Management Committee or Board of Directors will never send emails to our members requesting money or financial assistance. The only invoice members will receive from IFBLS will be for our annual membership dues.

If you have any questions or concerns regarding any emails or similar communication from IFBLS, the Management Committee, or Board of Directors please do not hesitate to contact the office at communications@ifbls.org.

Best regards,

Alan Wainwright
President, IFBLS
