

2026 Past President's Award

PURPOSE

To recognize an individual or member Association who has provided outstanding service to the profession of Biomedical Laboratory Science in the field of international exchange with IFBLS in the promotion of the Goals and Objectives of IFBLS.

The award is not given to current IFBLS Board Members. The recipient need not be a Biomedical Laboratory Scientist.

NOMINATION

The current Past President chairs a committee of most recent Past President and two (2) former Past Presidents who are all responsible for submitting nominations. The recipient may be a member of an organization or an employee of another organization affiliated with IFBLS, such as WHO, CLSI, ISO.

SELECTION

The Committee is responsible for selecting the recipient.

PRIZE

The Chairperson of the Committee selects the prize which is normally a work of art or a plaque.

The prize will be presented during the Awards Ceremony as part of the World Congress Opening Ceremony.
