

Britta Karlsson Educational Webinar Series

IFBLS is pleased to announce the latest webinar our
Britta Karlsson Educational Webinar Series:

Current Status of Sickle Cell/ Haemoglobinopathy Screening

Tuesday, 18th August 2026
18:00 pm - 19:15 pm (GMT—London, UK)

([search the Time Zone in my country](#))

This webinar will provide an overview of the current landscape of sickle cell and haemoglobinopathy screening, including recent developments, challenges, and future directions. The session will explore screening pathways, laboratory approaches, quality considerations, and the impact of evolving technologies and policies on clinical practice.

Pre-registration is required to attend this free webinar.

[Register early](#) - Space is limited to 500 participants — early registration is encouraged.

Certificates of Attendance will be emailed to participants whose National Associations are current IFBLS members in good standing. (Please allow one-week for delivery).

Keynote Speaker:

Dr. Yvonne Daniel
Consultant Lead Scientist, Haematological
Sciences, Specialist Red Cell Centre
Synnovis Hub Site, Guys Hospital
London, United Kingdom

Dr Yvonne Daniel is Specialist Lead Scientist in Haematological Sciences at Synnovis, London. With over 20 years' experience in haemoglobinopathy screening and diagnosis, she is an internationally recognised expert in both protein- and molecular-based techniques. Yvonne also serves as a Scientific Advisor to the NHS Sickle Cell & Thalassaemia Screening Programme and has supported screening implementation projects across Africa. She is actively involved in policy development, education, training, and research.

This 75-minute webinar is a great opportunity to learn from our international colleagues and apply their knowledge to your own practice.

Pre-registration is required to attend this [free webinar](#).

Certificates of Attendance will be emailed to participants whose National Associations are current IFBLS members in good standing. Attendees from non-IFBLS member associations will not receive certificates. (Please allow one-week for delivery).
